March 30, 2011

**SUMMARY OF BILL:** Requires the Department of Revenue (DOR), beginning on July 1, 2011, to provide temporary license plates to dealers that are designed in a manner as determined by the Commissioner that displays individual distinctive alpha-numeric characters. Requires such plates be displayed to the rear of the motor vehicle.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

**Assumptions:**

- DOR indicates that the language of this bill, that would be codified in Tenn. Code Ann. § 55-4-110(c) if enacted, will align with language codified in Tenn. Code Ann. § 55-4-221(c)(4), that authorizes and empowers the Commissioner to design, issue, and regulate the use of temporary tags.
- Given the Commissioner is granted discretion to regulate the issuance of temporary tags pursuant to Tenn. Code. Ann. § 55-4-221(c)(4), the Department interprets this bill to clarify current law. As a result, no fiscal impact to state or local government.
